

**JEMMS Foundation Inc.**  
**Jennifer Elizabeth Metzger Memorial Scholarship Foundation**

To whom it may concern:

I am writing to you in regards to the scholarship program that we have established in the Loving Memory of Jennifer Elizabeth Metzger. As you may or may not be aware, Jennifer was a member of the Varsity Bowling Team for Colonia High School. Jennifer was the 16-year-old sophomore at Colonia High School that was killed in a tragic car accident on May 14, 2009.

We want to help out the community of High School students who participate in **sports** in the Greater Middlesex Conference area so they can continue their education and we want to keep the memory and spirit of Jennifer alive. We are giving back to the students in the **sporting** community because Jennifer loved bowling and cheering and her hopes one day were to become a Pro Bowler.

We will be awarding our **eleventh annual** scholarships this year (2021). I would appreciate it if you could pass this information along to all your students involved in sports in hopes that they would participate in winning this scholarship.

**The criteria and qualifications of awarding the scholarship yearly is as follows:**

We require the candidates to write an essay on Safe Driving (which should be between 500-1000 words long). The essay must include the causes and effects of reckless driving and speeding and the devastating consequences. Also, the essay must include “who is Jennifer Metzger”. Candidates should express good sportsmanship and their love for their sport should be evident as well. This scholarship is open to all students who are in their freshman to senior year. **The candidates must be on a sports team in order to be eligible.** Two scholarships will be awarded yearly in the amount of \$1000.00 each (one time). If the recipient is an underclass man (not a senior) the monies will be held in the foundation account until the recipient becomes eligible to receive the monies. The monies will be turned over to the college that the recipient is going to attend upon commencing graduation. I thank you for your time.

Sincerely,

Lisa Metzger  
President – JEMMS Foundation Inc.

Applications and essays can be mailed to: JEMMS Foundation Inc.
