What is a Sticky Wallet?

Leave your wallet, purse, and other bulky items at home. With the convenience of the Sticky Smart Wallet, a credit card holder for your cell phone, you **ONLY** need your phone. Now, you can easily carry all of your essentials in a slim, silicone pocket that adheres to the back of your smartphone or smartphone case. Carrying credit cards, IDs, cash, coupons, concert tickets, business cards, receipts, and so much more has never been so easy! Can't have South Amboy pride without one!

**Wallets come in black or white and the South Amboy logo is purple and gold.*
