

# South Amboy Public Schools

## Extended School Year and Summer Enrichment Offerings - July 2022

South Amboy Public Schools is proud to offer a variety of summer remediation and enrichment course offerings for all students. The Extended School Year program (ESY) consists of courses designed to provide academic skill-building for students who need academic remediation, as well as offer camp-like programs for fun and enjoyment!

All courses are being offered at the Elementary or Middle High School in the month of July. Review the list of enrichment offerings and ESY programs below.

### **Yoga Camp with Marci Oks**

Kid's Yoga combines breath, movement, and self awareness practices. Classes incorporate meditation, games, breathing techniques, read-alouds, and more! We will set daily intentions and put together a gratitude journal. The goal of each session is to inform the child of self-regulation practices resulting in greater concentration and ability to control one's actions. Please be advised this is a 3 week summer camp.

\*Please send your child with a towel and a bottle of water!

Grades: K- 5

Session 1: ~~July 11 July 28~~ 9-11am (Monday-Thursday) **Camp Full**

### **Life is a Garden: Dig In! With Rebecca DePreta & Jessica Costantino**

Let's have summer fun exploring nature and learning about gardening. Delve into your artistic side as we make DIY bird feeders, venture on a nature scavenger hunt, plant seeds, design your own rock gnome, and create your own fairy garden that you can bring home and enjoy. Just a few examples of all the fun things we will create! We can't wait to dig in. All materials will be provided.

Grades: K-2

**Camp Full** Session 1: ~~July 11 July 14~~ 9-11am

**Camp Full** Session 2: ~~July 18 July 21~~ 9-11am

**Camp Full** Session 3: ~~July 25 July 28~~ 9-11am

### **Creative Drama Workshop with the Pushcart Players**

Students develop self-awareness, confidence, and collaboration in dramatic play and self expression through theater exercises, games, storytelling and improvisation techniques.

These activities create an exceptional pathway to learning and are designed to relate to any curriculum, theme or topic.

Grades: 3-5

[Session 1](#): July 25-28 9-11am

---

### **Dibble and Dabble A.C.E (Arts Creative Expression)**

Creativity and innovative thinking are essential life skills that can be developed. Artists and designers shape artistic investigations, following or breaking traditions in pursuit of creative art making goals. Students will learn about different artists. Genres and create projects that match each day's lesson. All materials will be provided.

[Session 2](#): July 18-July 21 9-11am

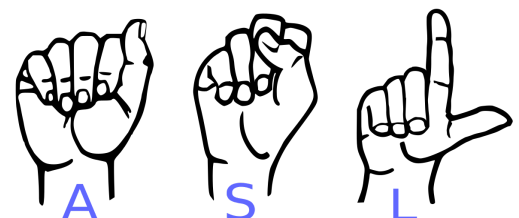

---

### **American Sign Language (ASL) with Chrystianna Carrino**

Learn the basics of American Sign Language (ASL)! Learn and practice the manual alphabet, signing your name, numbers 1-10, and how to show your emotions on your face. Get ready to make some funny faces and warm up your hands to start learning ASL.

Grades K-2

[Session 1](#): July 11- July 14 9-11am

---

### **Computer Camp with with Chrystianna Carrino**

Learn how to use Google Drive and the computer to make your life easier. Learn about the tools Google Drive offers, how to organize your files, and how to make a Powerpoint presentation with special effects. Also learn the tools and shortcuts for using a computer. Knowing these tools and tips will make your school work easier to complete!

Grades 3-5

[Session 1](#): July 18- July 21 9-11am

---

### **SAT Prep Crash Course with Staffs Prep**

Two Sessions, Two Days (Math & Reading). Learn Math strategies to get around some of the toughest math questions on the test. Learn how and what to read during the test, as well as the easiest ways to improve your Grammar score. All practice materials are included for this course.

Grades: 9-12

9am-12pm

**Camp Full** ~~Session 1: July 12 & July 14th~~

---

### **Learning to See/Learning to Create with Joan Conway**

Learning to See: As we explore the simple things around us, you will create what you see in various media. For the first session, bring a pair of your favorite shoes.

Learning to Create: You will build upon your skills learned from 'Learning to See' with concentration on composition and color mixing.

Grades: 7-12

[Session 1](#): July 11-July 14 10-12 am

[Session 2](#): July 18-July 21 10-12 am (Prerequisite Session 1)

---

### **Story-Telling through Sequential Art with Cella Mahoney**

Come and recognize the influence that comics have on the media today by developing a storyboard. Do you like writing stories? Do you love doodling your favorite character in your notebook? This workshop is for you!

Grades: 9-12

Tuesdays and Thursdays 8:30-9:30am

[Session 1](#): July 11- July 14
